ore 17:30 Fine dei lavori
Aperitivo
Il **seminario** si svolgerà in italiano ed inglese **con traduzione simultanea**

Dr. Peter Oettgen is the Director of Preventive Cardiology at Beth Israel Deaconess Medical Center in Boston, MA, and an Associate Professor of Medicine at Harvard Medical School. Dr. Oettgen completed his undergraduate training at Bowdoin College in Brunswick, Maine, followed by medical school training at the University of Connecticut. He completed a residency in Internal Medicine at Tufts New England Medical Center, and a Cardiology Fellowship at Beth Israel Hospital in Boston. He has been a member of the faculty at Beth Israel Deaconess Medical Center since 1993. As the Director of Preventive Cardiology, he directs an outpatient prevention program called the Cardiovascular Health and Lipid Clinic where patients with a variety of lipid disorders and hypertension are treated. He joined DynaMed in 2014 as the Deputy Editor of Cardiology, Critical Care, and Pulmonary Medicine. In March of 2016 he became Editor in Chief of DynaMed and DynaMed Plus.
